HUMILITY

Humility is a virtue we don't see much in our times. It seems that bragging, swaggering, and arrogance dominate our fashion for everything and our Internet conversations. Who hasn't been irritated by the "trolls" who try (usually with bad grammar and poor spelling) to start an online fight with those whose opinions do not align with theirs? Our stores, catalogs, and online shopping sites are full of useless items geared in use and price to the very rich, as ordinary, useful things seem to fade off the sales scene. As the rich get richer, the poor get poorer and the middle class is fading away. What is the antidote to this? Humility is a good place to start. Devotion to God is worth more than riches. "The father of orphans and the defender of widows is God in his holy dwelling. God gives a home to the forsaken; [God] leads forth prisoners to prosperity." Copyright © J. S. Paluch Co.
